

Living on Mission

Mission Hallway

Volume 13

Many of us proudly fly an American flag at this time of year. A flag is a country's way of portraying itself to the rest of the world. For example, the stripes on the American flag represent the 13 original colonies. The stars stand for the 50 current United States. Flags are important symbols of patriotism and pride for one's homeland.

Have you passed by the long hallway next to the sanctuary and ever seen what we call our Missions Hallway? This area of the church honors the relationships we have with each country that's represented. There are over 59 flags displayed! Over the years, our church has collected flags from many of the countries in which we have sent mission teams or

partnered to support mission efforts. As you leave the worship service today, take a trip down the Mission Hallway to see where people from FBC Asheboro have helped spread the Gospel to all the nations. Look up and be inspired!

Over the past few months, we have had several teams who have traveled to serve on mission. Please help us continue to pray for those who have been reached and those who will be leaving for mission trips in the coming weeks.
