## Academy Agreement

I understand that registration in the AMA is a commitment and the student (or parent) is committed to the entire semester of study. Tuition may be paid in full at the beginning of the semester or in four (4) installments (see back of form). There is not an application fee.

It is also understood that my instructor is dedicating his/her time each week for quality instruction and likewise I, as a student of the Academy, should commit to consistent practice and dedicated attitude.
