The Adult 4 Co-Ed Sunday School Class is a diverse group of men and women who come together to worship and study each week. They are using the *Masterwork* curriculum from LifeWay. The military ministry began in this class. Items for care packages and notes of encouragement are collected from the congregation and packed and sent by this class. This ministry has far reaching effects as the recipients of the packages share with others in their unit. In addition, the class has been working with NC DOT to pick up trash quarterly on Zoo Parkway, with their sign "Honoring Jesus Christ." Fellowship usually follows with having lunch out. Other

fellowship times occur during the year. Prison ministry is another class mission which includes Women's Prison Ministry through Camp Mundo Vista, Project Restoration and Randolph Jail, leading Bible studies. They frequently host inmates in their class and worship services. The class also serves with the Community In Schools Program.

They are quick in responding to requests for help in ministry outside the normal church budget. This very active class is passionate about serving Christ, His people and the local community which is evident not only as a class whole, but also in the wide range of service done by individual members. They welcome new class members. Teachers are Bobby Morrison, Larry Cahoon and Rick Watson.

*Billy Graham Training Center  
The Cove, Asheville*

After a restful night at Ridgecrest Conference Center, and breakfast at Denny's, the group entered a world unto it's own- *The Billy Graham Training Center at The Cove*. The group roamed the hallways which followed the life of Billy Graham in photos and showed many of the gifts he received from nations around the globe. Our group gathered with about 250 other visitors to worship God in song under the leadership of Ron Whittemore. He also shared film clips and stories from crusades and about crusade team members like Cliff Barrows. Gigi Graham welcomed us to The Cove and shared some thoughts with us. After enjoying a buffet feast in the beautiful, rustic dining room, the group toured the Chatlos Chapel. We left The Cove arriving at the Montreat College Campus where we toured the *Chapel of the Prodigal Son* which houses the Prodigal Son fresco by renown artist, Ben Long. After a little bit of shopping in the town of Black Mountain we heading home.
