# “Love Has Come”

The night before Easter Sunday, sixteen Senior Travelers attended a drama at Trindale Community Church in Archdale. We stopped on the way to have a delicious meal at the Pioneer Restaurant, while enjoying fellowship around the table.

The drama, *Love Has Come*, depicted the days leading up to the crucifixion. Thirty minutes before the drama, the cast members walked up and down the aisles depicting the activity of a market place in Jerusalem. Simon Peter stopped to ask individuals in the audience what they had heard about this man, Jesus. When the play began, the audience was already engaged in the events.

The horror of the crucifixion was very realistically portrayed, but Jesus emerging from the tomb left the audience with the hope of Easter and the great love of our Lord.

*The drama was presented in this impressive setting.*

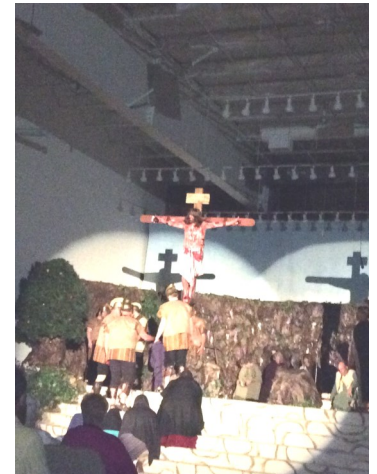

*The market place in Jerusalem*

*The stone was rolled away before the resurrected Jesus appeared.*

*Roman Soldier*

*The graphic scene of Christ on the cross shows the depth of love God has for us.*

**Front row:**
