The **BILLY GRAHAM**  
Library

On Thursday, March 15, twenty-three travelers toured the Billy Graham Library and Graham family home place. Our friends and former FBC members, Miriam and Paul Griffin, who now reside in Ft. Mill, SC, joined us for the day. The *Journey of Faith* tour through the museum seemed to have a greater impact on all since the recent passing of Billy Graham. After the tour, the group enjoyed lunch at the Graham Brothers' Dairy Bar and shopping in Ruth's Attic Bookstore, both located in the museum. Before leaving the site, everyone spent a time of reflection in the peaceful setting of the Memorial Prayer Garden beside the burial sites of Billy and Ruth Graham. George Beverly Shea and Cliff Barrows, longtime members of the Billy Graham Crusade Team, are also buried there. Another trip to the library is in the plans for December when they have special activities such as horse drawn carriage rides and a live nativity.

Franklin Graham, regarding his father's home going, said, "My father has joined my mother in heaven. He went to sleep in his home in the beautiful mountains of North Carolina and woke up in the arms of Jesus. While many around the world mourn his physical death, he is now celebrating the eternal life he spent over 70 years telling millions of people about."

The Cross is the symbol of Christianity. Why? Jesus Christ died upon the Cross for our sins.

~ Billy Graham

My one purpose in life is to help people find a personal relationship with God, which I believe, comes through knowing Christ.

~ Billy Graham

**To God Be The Glory!**

People do not come to hear what I have to say. They want to know what God has to say.

~ Billy Graham

The talking cow greets us at the beginning of the *Journey of Faith* tour in the library.
