

## Living on Mission Mountain Top Baptist Church in Casper, Wyoming Volume 12

Since the summer of 2008, FBC Asheboro has sent mission teams to Mountain Top Baptist Church in Casper, Wyoming to help prepare meals for campers attending the Mt. Top Baptist Assembly Camp. The camp depends on volunteers throughout the summer months to serve around 1,000 campers from mid-June to mid-September. Under the direction of team leader, Tom Deck, a group from FBC Asheboro traveled to Wyoming this past Friday and will begin working with campers tomorrow (July 10). Thanks to these dedicated volunteers, the camp is able to offer a life-changing experience for many children throughout the state.

Mt. Top Baptist Assembly Camp operates under the Wyoming Southern Baptist Convention which sought help from Baptists on Mission in 2005. This partnership was created to reach lost people throughout the remote areas of Wyoming. Since that time, dozens of facilities have been constructed and are being used to reach the lost for Christ. Hundreds of teams and thousands of volunteers have served throughout the Rocky Mountain region through this partnership.

Campers come from all over the region to experience the love of Jesus. The goal of the camp is to provide campers and volunteers a safe and inviting space for new friendships to form and for them to be completely immersed in the love and knowledge of Jesus Christ as Lord and Savior.

As you are going about your week, please be in prayer for our mission team and the campers at Mt. Top Baptist Assembly Camp. Specifically pray for children to come to know and love Jesus. Please be in prayer for our volunteers - for safe travels and that they too will deepen their understanding and love of and for the Lord.
